

HEART AND SOUL ADOPTIONS

YOUR FULL-SERVICE LICENSED CHILD PLACEMENT AGENCY

Desire For Contact

I wish to receive pictures and letters of my child throughout the first year.

I wish to receive updates every month for the first year, and the remaining years at my request.

Please check.

_____ I want the pictures and letters to be mailed to me immediately.

_____ I want the agency to hold the pictures until I request them.

_____ I want a closed adoption and DO NOT want pictures at all.

_____ I want to receive information about the Utah Adoption Mutual Consent Registry.
(This is the service that matches birth moms to their birth children when the child is 21 years of age.)

I understand that I can change my mind any time regarding contact. I understand that Heart and Soul Adoptions, Inc. cannot force a family to send pictures. I understand that I probably cannot enforce any of the above against the adoptive parents. In other words, I understand that I cannot force the adoptive parents to send pictures or letters, return phone calls to me, allow me to visit with the child or to have any form of contact with the child regardless of what is agreed to.
